- (d) Notwithstanding sections 15 and 17 of this chapter, a township assessor in a qualifying county may not appraise property, or have property appraised, for the general reassessment of real property to be completed for the March 1, 2002, assessment date. Completion of that general reassessment in a qualifying county is instead governed by this section. The only duty of:

(2) a county assessor of a qualifying county;

- with respect to that general reassessment is to provide to the department of local government finance or the department's contractor under subsection (e) any support and information requested by the department or the contractor. This subsection expires June 30, 2004.
- (e) The department of local government finance shall select and contract with a certified public accounting firm with expertise in the appraisal of real property to appraise property for the general reassessment of real property in a qualifying county to be completed for the March 1, 2002, assessment date. The department of local

The contract is valid to the same extent as if it were entered into by the department of local government finance. However, a reference in the contract to the state board of tax commissioners shall be treated as a reference to the department of local government finance. The contract shall be treated for all purposes, including the application of IC 33-3-5-2.5, as the contract of the department of local government finance. If the

The department of local government finance may contract to have the review performed by an appraisal firm. The department of local government finance or its contractor shall determine for the real property under consideration and for the qualifying county or township the variance between:

(1) If:

- (1) the variance determined under subsection (k) exceeds ten percent (10%); and
- (2) the department of local government finance determines after holding hearings on the matter that a special reassessment should be conducted;

the department shall contract for a special reassessment by an appraisal firm to correct the valuation of the property.

- (m) If the variance determined under subsection (k) is ten percent (10%) or less, the department of local government finance shall determine whether to correct the valuation of the property under:

 - (C) the certification provided by the department of local government finance that indicates that the goods and services billed for payment have been received and comply with the contract.

An approval and a certification under subdivision (2) shall be treated as conclusively resolving the merits of the claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive of the qualifying county. The county executive shall allow the claim, in full, as approved by the department of local government finance without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department of local government finance. Compliance with this subsection shall be treated as compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim under this subsection.
